1. The rubber sack and "Vinidur" plastic burial containers forwarded by reference were of great interest to Headquarters, and especially to the [redacted] staff which is developing burial containers for general [redacted] use. [redacted] feels that a thorough test program of these two containers would be of value. To conduct such tests, additional rubber sacks and "Vinidur" containers would be required.

3. [redacted] would also like to thoroughly test the "Vinidur" containers and it is requested that you obtain from [redacted] at least six (6) plastic containers (complete with plastic welding rod), or twelve (12), if possible, for use in [redacted] tests. Technical details, same as requested above for the rubber sack, would be of assistance to [redacted]
